**RECEIVED**

DEC 11 2002

Sir:

AMENDMENT UNDER RULE 1.129 (A)

TECH CENTER 1600/2900

This is an Amendment under Rule 1.129(a) to remove the finality of and in  
response to the Final Official Letter dated November 5, 2001.

IN THE CLAIMS

Kindly cancel claims 319, 321, 324-327 and 329-330 and amend the claims as  
follows:

G1 320. (Amended) A method as in claim 318 wherein said Newcastle disease virus  
is strain MK107.

322. (Amended) A method as in claim 318 wherein said virus is administered by  
the intravenous route.
